## WESTPORT RIVERS WINERY

**OWNERS:** BOB, CAROL, BILL & ROB RUSSELL

**WINEMAKER:** BILL RUSSELL

Westport Rivers is a family owned vineyard and winery that produces estate grown wines. They have a variety of wonderful white and red table wines but are best known for their traditional method, award winning sparkling wines

The Russell Family founded both Buzzards Bay Brewing and Westport Rivers Winery based upon a deep regard for local agriculture and education. As of 2006 over 300 acres of working farmland has been permanently preserved by the companies.

Westport Rivers Winery hosts several wine pairing meals with locally grown food as well as many other events, including clam-bakes, kayaking trips, sunset concerts and theatre on the lawn.

Check their website for details.

### BUZZARDS BAY BREWING

Historically, Massachusetts was known for producing some of the world's finest hops. Buzzards Bay Brewing hopes to reclaim (in due time) that heritage. BBB brews & packages all their beer on-site, using natural spring water, the best domestic & imported malts & the finest hops from the U.S.A, Slovakia, England and Germany.

Stop in for a tour and a tasting!

### BEFORE YOU GO

Check BBB's and WRW's websites or call for seasonal hours and event listings.
